Connecting with South Africa:

Inter-Cultural Communication and Understanding

Astrid Berg
Jungian Analyst from South Africa

The Carolyn & Ernest Fay Lecture & Book Series in Analytical (Jungian) Psychology was established to further the ideas of C.G. Jung among students, faculty, therapists and citizens, as well as to enhance the scholarly activities related to analytical psychology. The Lecture and Book Series addresses topics of importance to the individual and to society. The annual Lecture Series consists of four lectures with subsequent publication by Texas A&M University Press.
