

MATH 151 - FINAL EXAM INFORMATION

Spring 2012

- The final exam is scheduled as: May 07, 10:30-12:30, HELD 111.
- The final exam is comprehensive and will have 23 multiple-choice problems. Your best 17 from the first 20 and 3 last problems will be considered as a 5 points a piece for a total of 100 points.
- **Bring a scantron to the final, #882-ES.** (This is the LONG skinny green scantron you used during the common exams.)
- If you have to dispute about your lab or quiz grades, you have until Thursday May 3d at 5:00pm to address this dispute. Contact your TA if you need: apenland@math.tamu.edu. If you have to dispute any of inclass assignments grades or Test 3, you have until Wednesday May 2nd at 5:00pm to contact me.
- Once final grades have been assigned, they are final. I do not change grades for any reason unless there is a miscalculation in the computed average.
- I am not allowed to e-mail grades. Thus I will not reply to any e-mails asking about exam scores. If you would like to look your final exam, I can meet with you at the start of the Fall 2012 semester. For this send me an e-mail requesting an appointment.
- It is advised that you
 - read over the lecture notes;
 - work the first three common tests and quizzes;
 - solve the problems from the Final Review set found on my homepage:
- Information about additional office hours will be sent via e-mail.
